Web Developer with a certificate in Full Stack Web Development from University of Oregon. Hold many aviation ratings both in helicopters and airplanes. Programming is a favorite because it is challenging, involves creating new exciting impactful things, as well as a constant learning curve all of which are enticing. Primary skill sets lie in JavaScript, Node.js, MySQL and MongoDB and with real world life skills and work experiences I bring creative solutions to the table.

TECHNICAL SKILLS

Languages: JavaScript, CSS, HTML, SQL, jQuery,
Applications: GitHub, MongoDB, MySQL, Heroku, Linux
Tools: Express, React, Node, Handlebars, Bootstrap, ORM, Axios, REST, Google Analytics, OOP, WordPress, Sequelize
